

Overview of evaluations in the Network of Evaluation of One Health

Sara Savic – leader of WG2
Uffe Braae, Francesco Chiesa

What were we doing in WG2 in 2016

- 2016 was the year of WG2 work!

Our tasks for 2016 were the following:

- Case studies to be determined
- Education to be done
- Evaluation to be done by Malta meeting

Case studies determined

- We defined 15 case studies in Lisbon
- The number of case studies went to 18 proposals during WG2 meeting in Novi Sad (july 2016)
- 14 excel sheets were filled afterwards
- 9 presentations today + 3 promises to continue
- Some of the projects did not get funded, some leaders gave up...

Education done

- Activities in the terms of education were Training school in Novi Sad and STSMs
- Training School was held on 01-02 July in Novi Sad, Serbia
- The speakers were Simon Rüegg, Marlene Läubli, Sandra Buttigieg, Dragan Rogan and Zoran Katrinka
- There were in total 30 people present for the WG2 meeting and training school together

The topics were the following:

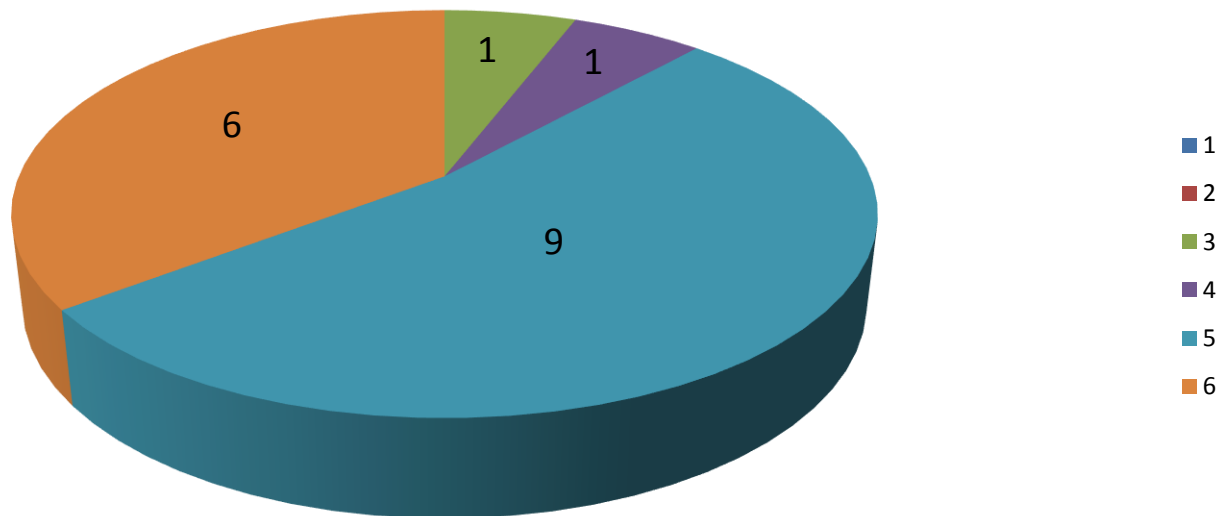

- Welcome and overview of the handbook and presentation of key evaluation steps by Simon Rüegg
- Self-evaluation and policy evaluation by Marlene Läubli
- Framing evaluation questions using theory of change and how to deal with conflicts of interest by Marlene Läubli
- Round table discussion on mixed methods
- Evaluation of “One Healthness”: Key concepts and considerations by Simon Rüegg
- Evaluation of interdisciplinary collaborations and working by Sandra Buttigieg
- One Health in Serbia, current situation by Dragan Rogan and Zoran Katrinka
- *We did some evaluation afterwards....*

**Network
for Evaluation
of One Health**

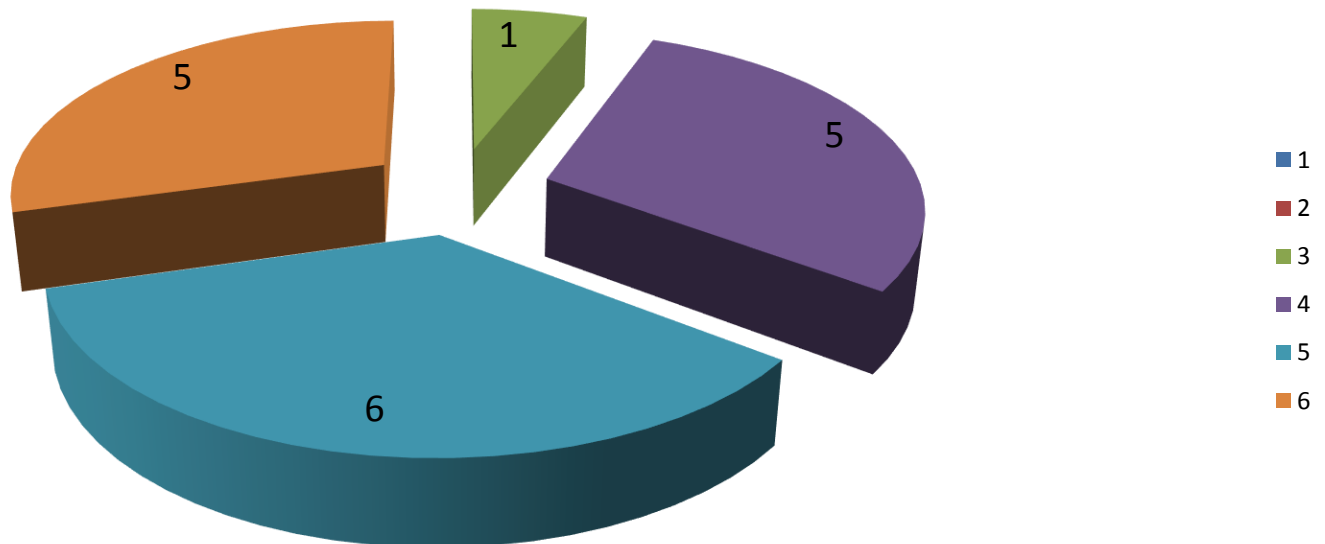

**How would you rate the training school
overall?**

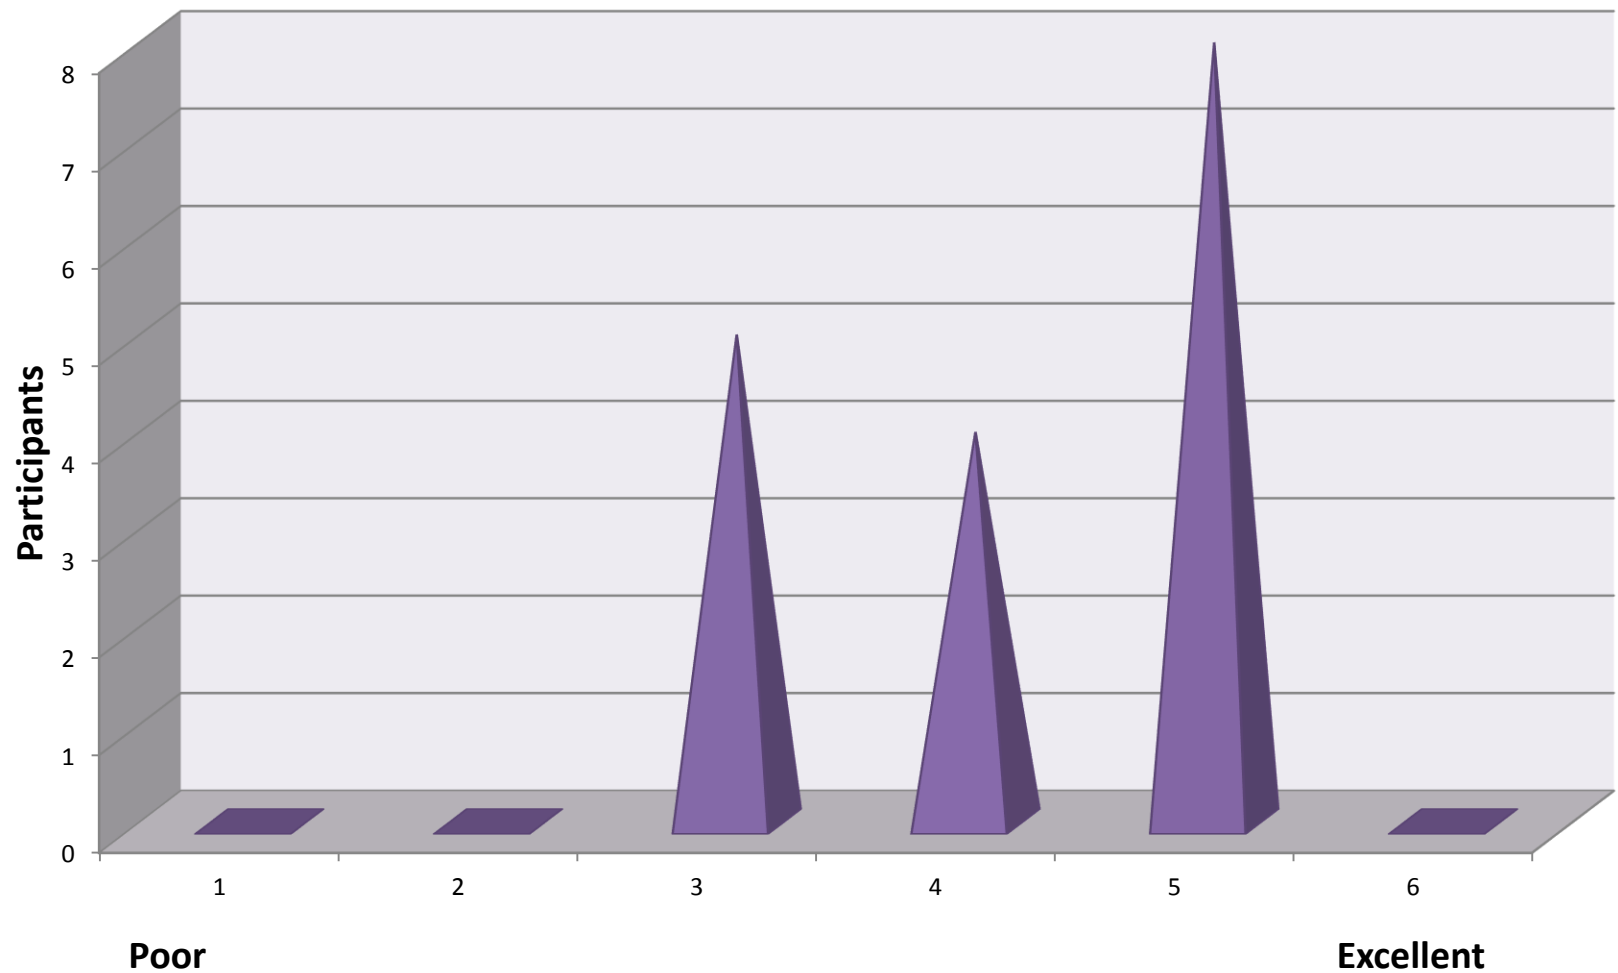

To what extent has your understanding of the subject improved or increased as a result of the training school?

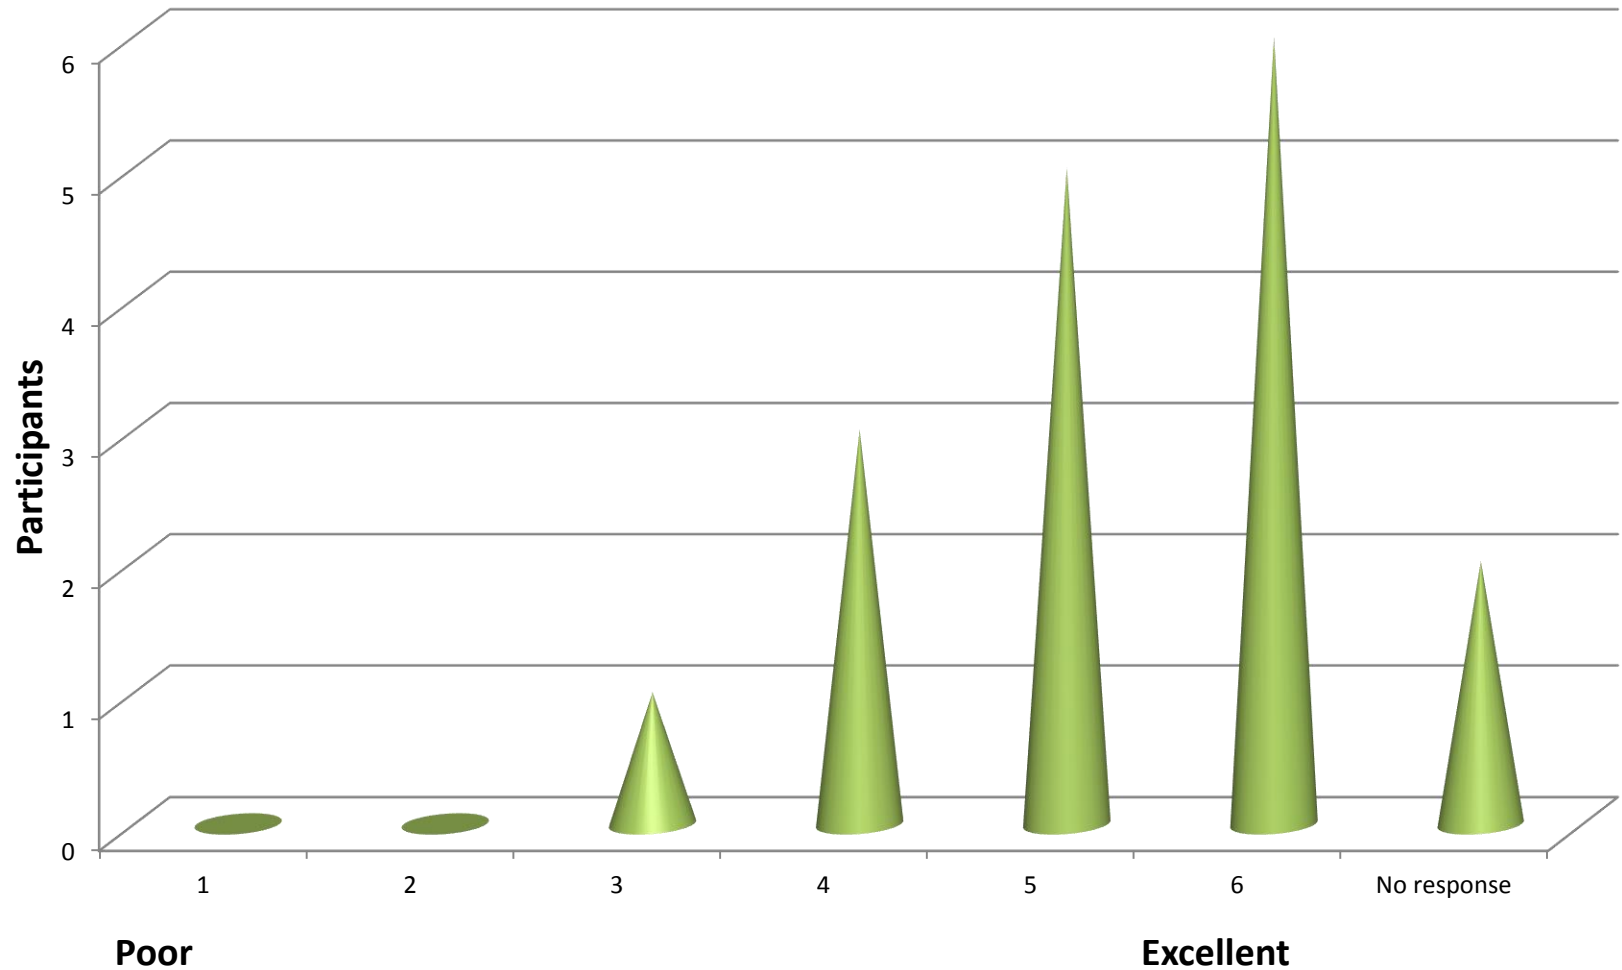

**Network
for Evaluation**

How would you rate the proportion of ex-cathedra lectures?

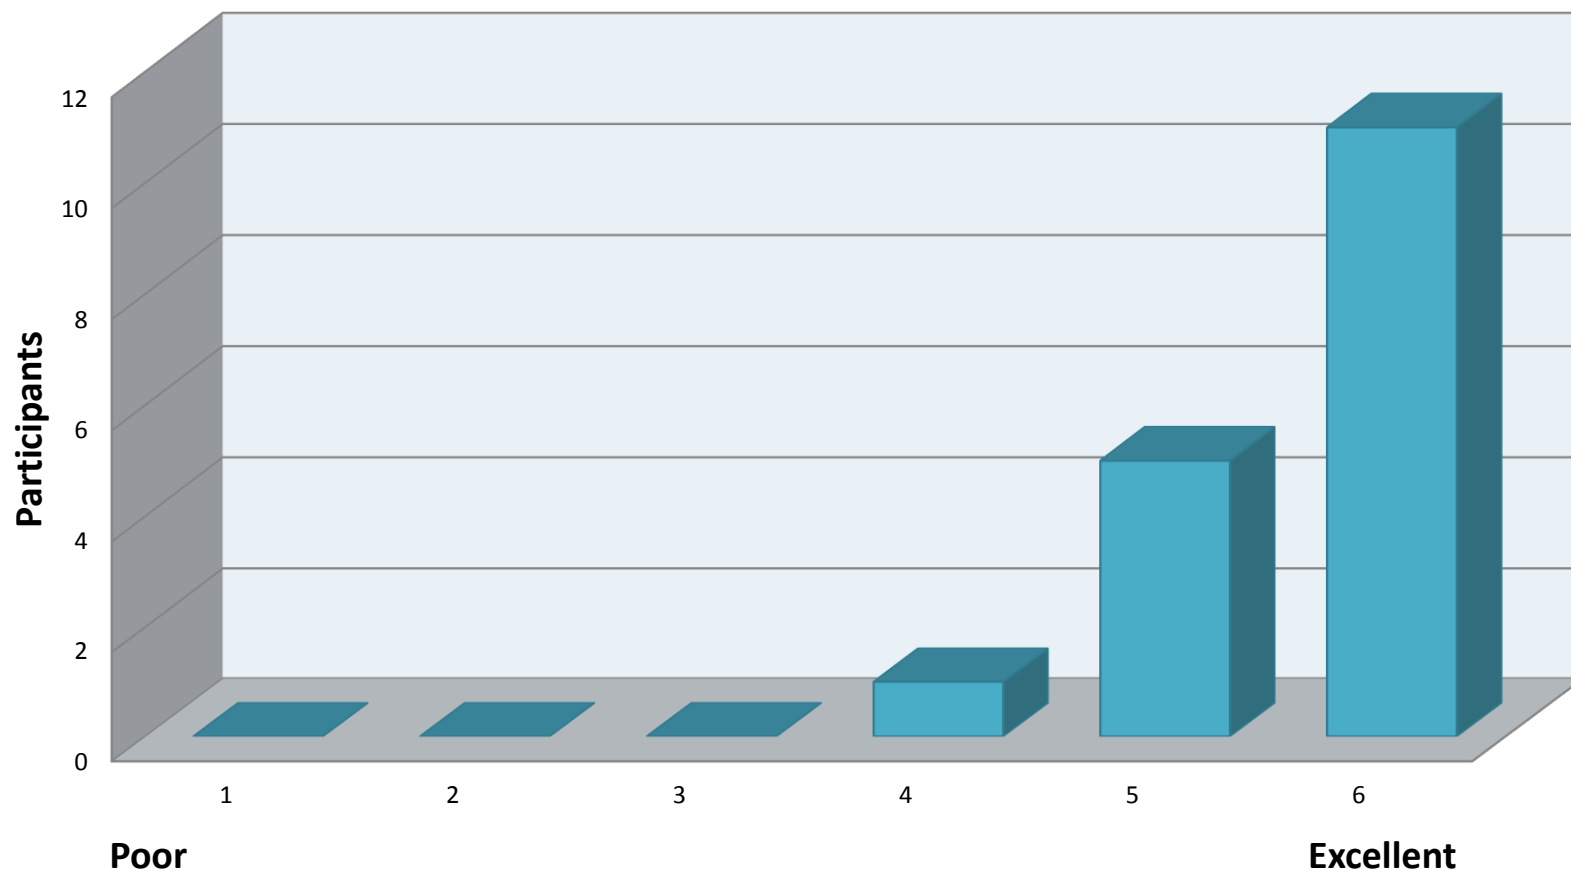

How would you rate the clarity of the lectures given by Simon?

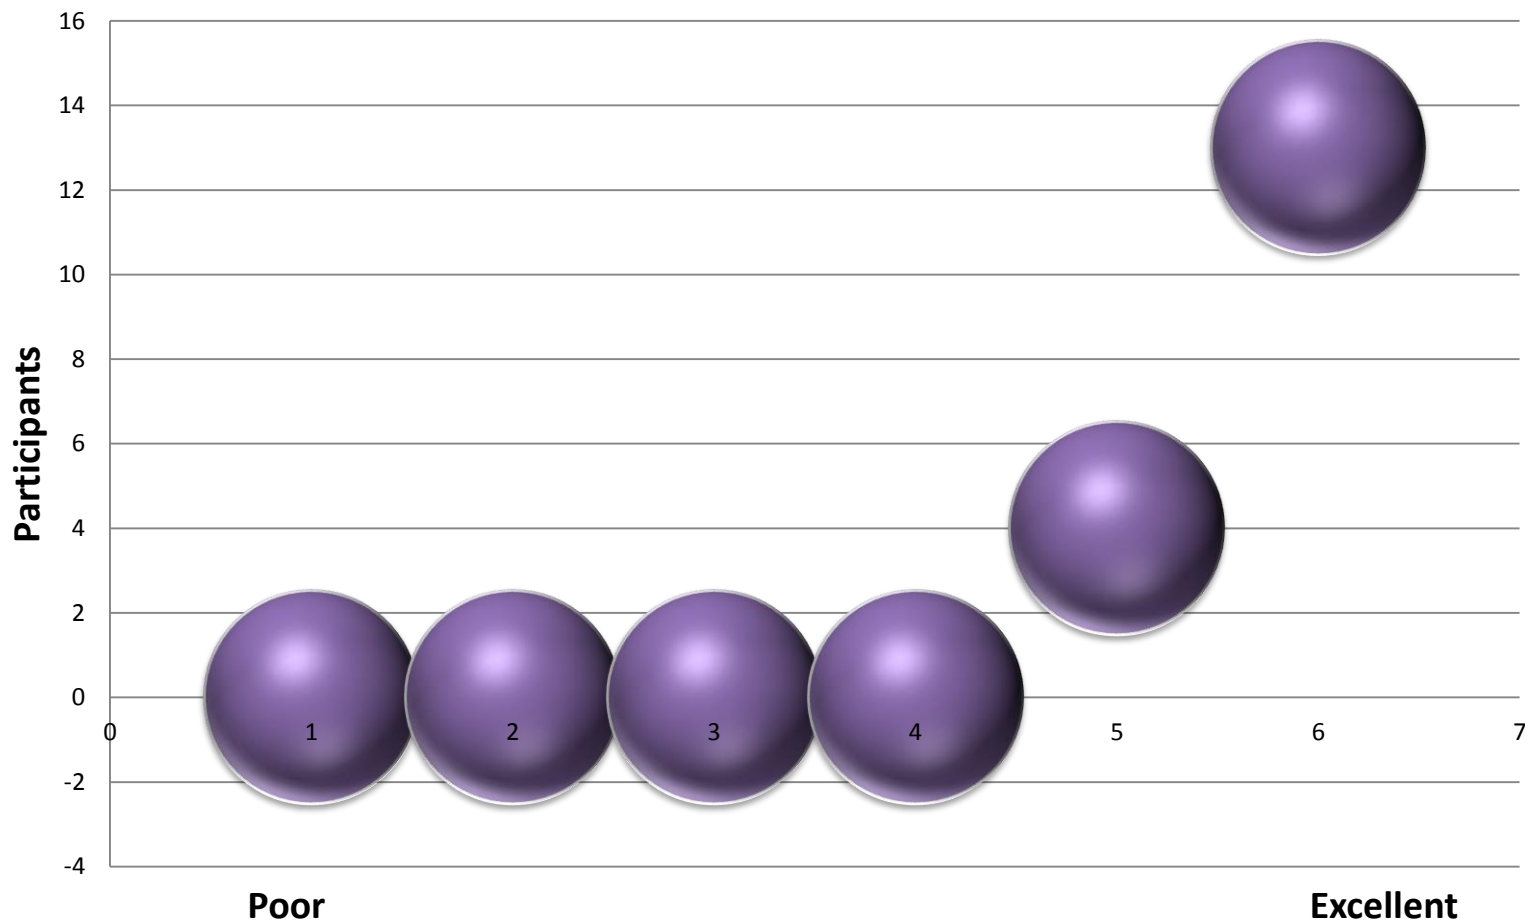

**Network
for Evaluation
of One Health**

How would you rate the training school accommodation (training room, etc)?

How would you rate the Quality of social events?

All together

We worked a lot...

And we had fun!

Cheers to One Health

STSMs

- STSMs were done for the purpose of evaluation of case studies – WG2 case study people going to WG1 people, working on evaluation together, like a mentoring program

Case Study	STSM
OH Evaluation of Eradication of Brucellosis in Malta/Comparison with Case Study on Eradication of Brucellosis in Serbia	2
OH evaluation on West Nile virus integrated Surveillance in Northern Italy	2-3
OH evaluation of International One Health master program in Western Balkan universities	1
Evaluation of the One Health-ness of the "University of Copenhagen Research Centre for Control of Antibiotic Resistance (UC-CARE)"	1
OH evalaution on case study 6 "Use of Acaricides to control ticks & tick – borne diseases in Zambia: Implications in Public & Environmental health"	1

Dissemination

- Dissemination – WG2 people were active during the European OneHealth/EcoHEalth workshop on Biodiversity, Brussels, October 2016. –several oral and poster presentations

NOW...

Where do we stand and what should we expect next...

- We have 9 evaluations done on One Healthness, aiming to continue towards the end + 3 promising case studies which were late for Malta meeting
- We have a number of case studies to be determined aiming for publishing in Frontiers
- We have data for WG3 to work on - to be agreed with WG3

FUTURE...

- Set the dates for future actions
- End evaluations, hopefully all 12
- Give feedback to NEOH handbook
- Publish evaluation of case studies
- Sit back and enjoy the work of WG3 😊
